**Sunday, August 13 • 7–8 pm**  
**OPEN HOUSE & GARDEN TOURS**

Come by the Westbury Community Garden in the cool of the day to discover which veggies and herbs absolutely love the Houston heat. What are we growing and harvesting at the WCG? What delicious meals can you cook at home with this summer season's harvest?

- Enjoy a **tasting menu** of oven-roasted okra, jalapeño jelly, pesto pasta, refreshing lemon-thyme coolers, and more!
- Go on a **scavenger hunt** to look for heat-loving veggies and herbs, labeled with our new, **tech-enabled garden signs**.
- Enter a drawing to **win tickets** to The Health Museum.
- Pick up **seed packets** and a fall planting guide.
